REMARKS

Responsive to the Election/Restriction Requirement dated June 24, 2005, the Examiner has required an election of a single invention for prosecution on the merits, under 35 U.S.C. § 121. It is Applicant's understanding that this election is being made to aid the Examiner in conducting a search and examination of the claimed subject matter, and is not to be construed as limiting the scope of Applicant's claims. It is also Applicant's understanding that if the elected subject matter is found to be allowable over the prior art, the search and examination will be expanded to cover other species, until it includes the full scope of the generic claims included in the elected group. Applicant hereby elects claims 1-19 in Group 1.
